Advanced Breast Cancer

7-9 November 2013 • Lisbon, Portugal

Second International Consensus Conference

Conference Chairs:
Fatima Cardoso, PT • Eric P. Winer, US • Larry Norton, US • Alberto Costa, IT/CH

SECOND ANNOUNCEMENT AND CALL FOR ABSTRACTS
Dear Colleagues,

The 1st International Consensus Conference for Advanced Breast Cancer (ABC1), which took place in Lisbon, Portugal in November 2011, brought together 800 participants from 64 countries worldwide to develop a set of consensus guidelines for the management of advanced breast cancer (ABC). Participants – including health professionals, patient advocates and journalists – agreed to a series of guidelines, which are based on the most up-to-date evidence and can be used to guide treatment decision making in diverse health care settings globally.

ABC Consensus Conferences have the ambitious goal of improving outcomes for all patients with advanced breast cancer. We believe that, backed by strong political advocacy, ABC guidelines will raise standards of care, improve awareness about how best to meet the needs of this underserved group of patients, and help identify research priorities so that clinical research is focused on the most important areas of unmet need.

The guidelines developed at ABC1 have been welcomed by a broad spectrum of professional and patient organizations active in breast cancer setting. Discussions are on-going with a number of international oncology societies regarding the endorsement of the guidelines that will greatly increase their impact globally.

Furthermore, we are pleased to announce that the ABC2 guidelines will be developed in co-operation with ESMO and will be endorsed by EUSOMA.

The encouragement and positive feedback we have received from individual patients and professionals has emphasised the importance of this initiative and reinforced our belief that this effort is worth pursuing in the long term.

It is therefore with great enthusiasm that we invite you to attend the Advanced Breast Cancer Second International Consensus Conference (ABC2) that will take place in Lisbon, Portugal, on 7-9 November 2013.

ABC2 will have a specific additional program for breast cancer advocates coordinated by some of the major breast cancer advocacy groups worldwide.

By working together we can change the dismal survival figures associated with ABC and improve the quality of life of all patients living with ABC worldwide.

Fatima Cardoso, Eric P. Winer, Larry Norton and Alberto Costa
ABC Conference Chairs

Official carrier

Star Alliance™ members airlines are pleased to be appointed as the Official Airline Network for ABC2 – Advanced Breast Cancer Second International Consensus Conference.

To obtain the Star Alliance Conventions Plus discounts and for booking office information, please visit www.staralliance.com/conventionsplus and:

1. Choose “For delegates”
2. Under “Delegates login” enter conventions code TP01S13
3. Choose one of the participating airlines listed
4. Call the respective reservation contact listed and quote the convention code TP01S13 when booking the ticket.

Registered participants plus one accompanying person travelling to the event can qualify for a discount of up to 20%, depending on fare and class of travel booked.

The participating airlines for ABC2 are:
Adria Airways, Aegean Airlines, Air Canada, Air China, ANA, Asiana Airlines, Austrian Airlines, Avianca / TACA, Airlines Blue1, Brussels Airlines, Croatia Airlines, EgyptAir, LOT Polish Airlines, Lufthansa, Scandinavian Airlines, Singapore Airlines, South African Airways, SWISS International Air Lines, TAM Airlines, TAP Portugal, THAI, Turkish Airlines, United, US Airways

Discounts are offered on most published business and economy class fares, excluding senior and youth fares, agency and industry discount, web, bilateral or round the world fares.

Please note: For travel from Japan and New Zealand special fares or discounts are offered by the participating airlines on their own network.

Agreement states The Conventions Plus Fare is not applicable for travel to or from New Zealand and Japan. Special offers for travel to/from New Zealand and Japan are available.

When making your travel plans please present confirmation of your registration or proof of attendance.
General information

Venue
ABC2 will be held at the CCL - Centro de Congressos de Lisboa, Praça das Industrias, Lisbon, Portugal.

Official language
The official language will be English. No translation will be provided.

Insurance
The organisers bear no responsibility for untoward events in relation to the participation in the Conference. Participants are advised to take out their own personal and travel insurance coverage.

Abstract book
The abstract book will be published as a supplement of The Breast and contain abstracts of the invited lecturers and those submitted by the participants that have been accepted for oral or poster presentation or for publication only.

Filming, audio-taping and photographs
Please note that capturing contents of the sessions is prohibited.

CME accreditation and certificates
Participants will be entitled to receive a certificate of attendance from Friday, 8 November, by completing the online evaluation questionnaire. Application for CME recognition will be submitted to the European Society for Medical Oncology (ESMO) for ESMO-MORA accreditation, to the Accreditation Council of Oncology in Europe (ACOE) and to the European Accreditation Council for Continuing Medical Education (EACCME), an institution of the European Union of Medical Specialists (UEMS). EACCME credits are recognised by the American Medical Association towards the Physician’s Recognition Award (PRA). Information on the status of the applications can be obtained from the organising secretariat.
ESO is pleased to announce that, in recognition of his work on discovering fundamental, clinically-relevant biological and molecular mechanisms for metastases including site specificity, latency, self-seeding and the role of the microenvironment in colonization and drug resistance, the first ABC Award has been assigned to Joan Massagué. The Award Ceremony and Lecture are scheduled on Thursday, 7 November 2013.

ABC Consensus guidelines

The consensus guidelines for the management of advanced breast cancer that were developed at ABC1 (November 2011) are published in *The Breast* 21 (2012) 242-252.

The ABC1 guidelines are endorsed by SIS, the International Society of Senology (www.sisbreast.org).

The ABC2 guidelines will be developed by ESO and ESMO and will be published simultaneously in Annals of Oncology and The Breast, and endorsed by EUSOMA.

Breast cancer patient advocacy programme

Representatives of breast cancer patient advocacy groups are warmly invited to participate in ABC2 and actively contribute to the scientific programme and consensus sessions.

Furthermore, in collaboration with several leading breast cancer patient advocacy groups worldwide, specific additional Meet the Expert sessions have been scheduled.

Preliminary programme

Wednesday, 6 November  2013
10:00    Registration opens for individual participants and groups

Thursday, 7 November  2013
  9:00    Satellite symposium 1
  10:30   Coffee break
  11:00   Satellite symposium 2
  12:30   Lunch
  13:30   Opening session (Chairs: F. Cardoso, PT and L. Norton, US)
         • Opening and introduction (F. Cardoso, PT)
         • Welcome to Lisbon (Speaker to be confirmed)
         • Keynote lecture: A personal journal through advanced breast cancer (D. Fenech, MT)
  14:15   Major advances since ABC1 (Chair: E. Winer, US)
         • Advances in HER-positive advanced breast cancer (I. Krop, US)
         • Advances in TN advanced breast cancer (Speaker to be confirmed)
         • Advances in endocrine therapy and endocrine resistance (M. Piccart, BE)
         • Advances in cytotoxic and other targeted therapy (J. Gligorov, FR)
         • Advances in imaging (Speaker to be confirmed)
         • Discussion
  16:15   Coffee break
  16:45   Best abstract presentations (Chair: A. Costa IT/CH)
         • Basic and translational research
         • Clinical issues
         • Nursing and patient advocacy
  17:30   ABC Award and Lecture (Awardee: J. Massagué, US)
  18:00   Breast cancer patient advocacy – Meet the expert session
  18:00   Satellite symposium 3
  19:30   Welcome cocktail

Friday, 8 November  2013
  9:00    Inoperable locally advanced breast cancer (part I) (Chairs: F. Cardoso, PT and E. Winer, US)
         • The biology of locally advanced breast cancer: Inflammatory and non-inflammatory (F. Pernault-Llorca, FR)
         • Epidemiology and geographic differences (E. Senkus-Konefka, PL)
         • Systemic therapy: Optimal strategies and therapies (N. Harbeck, DE)
         • Discussion
  10:15   Coffee break
10:45 **Inoperable locally advanced breast cancer** (part II) (Chairs: F. Cardoso, PT and E. Winer, US)
- Radiotherapy: Best timing and techniques (C. Vrieling, CH)
- Surgery: Challenges and opportunities (M.J. Cardoso, PT)
- Discussion

11:40 **Specific populations** (Chair: K. Gelmon, CA)
- Metastatic male breast cancer (S. Giordano, US)
- BRCA-related advanced breast cancer (P. Francis, AU)
- Discussion

12:30 **Survivorship in advanced breast cancer** Panel discussion (Chair: K. Redmond, CH. Panelists: F. Ganz, US; O. Pagani, CH; S. Kyriakides, CY; M. Mayer, US; L. Fallowfield, UK and N. West, UK)

13:00 Lunch and **poster session**

14:00 **Specific metastatic sites** (Chair: H. Rugo, US and F. André, FR)
- Multidisciplinary approach to liver metastases (C.H. Barrios, BR)
- Update on brain metastases management (N. Lin, US)
- Optimal management of pleural effusions (B. Kaufman, IL)
- Chest wall recurrences and cutaneous metastases (K. Blackwell, US)
- Can specific sites of metastases be predicted and prevented? (L. van’t Veer, US)
- Discussion

15:40 **Special session** (Chair: L. Norton, US)
- The role of mathematical and computer modeling for metastases research (S.D. Merajver, US)
- Discussion

16:00 Coffee break

16:30 **Supportive and palliative care issues** (Chair: M. Aapro, CH)
- Optimal pain control (L. Biganzoli, IT)
- Optimal management of nausea and vomiting (J. Bergh, SE)
- Psychological support: When and how? (L. Fallowfield, UK)
- Patient perspective on symptom control (M. Mayer, US)
- Disparities in access to supportive/palliative specialised care (R.A. Badwe, IN)
- Discussion

18:00 **Breast cancer patient advocacy - Meet the expert session**

18:00 – **Satellite symposium 4**

19:30 **Saturday, 9 November 2013**

9:00 **Consensus session** (part I)

10:30 Coffee break

11:00 **Consensus session** (part II)

12:30 – Close

13:00

A/V Recording during the Conference is prohibited.
Abstract submission

Deadline for submission: 8 July 2013
Submit on-line at www.abc-lisbon.org

Participants are invited to submit abstracts on subjects related to advanced breast cancer, including basic, translational, clinical research, nursing and advocacy. Abstracts will be assessed for presentation at the conference, either oral or poster, or for publication in the ABC2 Abstract Book, supplement of The Breast. Best abstracts will be selected for oral presentation within the programme with a 10-minute slide presentation followed by a 5-minute discussion slot. The best abstract session is scheduled on Thursday, 7 November and the poster presentations session is scheduled on Friday, 8 November.

Categories:
- Advanced breast cancer - Basic and translational research
- Advanced breast cancer - Clinical issues
- Advanced breast cancer - Nursing and advocacy

Instructions:
- The number of words is limited: 50 words for the title (lower case letters) and 450 words for the body of the abstract.
- Names of research groups should appear in the title, not in the authors' list.
- Tables and images are not accepted.
- List the authors' affiliations. The same affiliation should be entered only once.
- The first author will be the corresponding author and the presenter at the conference.
- The full address with e-mail address, phone and fax numbers of the first author (= corresponding author and presenter) must be provided. The first author will receive an acknowledgement of receipt and all subsequent communication by e-mail.
- For abstracts accepted for presentation (oral or poster), the first author will be the presenting author and will be requested to register and participate in the conference.
- It is the responsibility of the first author to ascertain whether all authors are aware of the content of the abstract before submission is made.

The acknowledgement of receipt of the abstract will immediately follow the submission. The outcome will be notified by 9 August to the first author who will be required to register to the conference (early registration deadline: 19 August).
Registration

Register on-line at www.abc-lisbon.org

Registration grants participation in all sessions, a copy of the Programme and of the Abstract Book, coffee breaks, lunches and welcome cocktail as indicated in the programme.

Cancellation of registration or replacement
Cancellation should be notified to ESO in writing. In case of cancellation without replacement, the fee less handling charges of EUR 100 will be refunded after the event, provided that the cancellation is received by ESO before 1 October. Replacements will be possible till 1 October.

Confirmation of registration
Registration will be confirmed preferably by e-mail, or by fax or by mail.

Badge
The badge is the only official evidence of registration and should be worn at all times during the event. Loss of badge causes loss of registration.

Nurses and Patient Advocates
Nurses and representatives of cancer patient advocacy non-profit organisations are eligible for a discounted registration fee:
- EUR 200 by 19 August
- EUR 250 by 21 October
- EUR 350 after 21 October and on-site

To register to the Conference please e-mail the following documents to lrichetti@eso.net within the deadline:

- Nurses: please provide your curriculum vitae with full contact details
- Patient advocates: please provide your curriculum vitae or resume indicating your advocacy experience, role within the organisation and the full contact details of the patient advocate organisation.

Media Registration
The congress is open to representatives of print and electronic media. Registration is free of charge to journalists who are in possession of a valid, recognised press card. Freelance journalists must present a commissioning letter on headed paper from a recognised news organisation or publication. Representatives of advertising, marketing and public relations companies are not eligible for free media registration. A copy of the Press Card or of the commissioning letter should be sent, together with the media registration form, to lrichetti@eso.net.
Travel grants

Travel grants are made available on a competitive basis to:

- Physicians from middle- and low-income countries as defined by The World Bank;
- Physicians under the age of 40;
- Nurses;
- Patient Advocates.

Full applications should be submitted by 8 July 2013 to dknupfer@eso.net and include:

- Curriculum vitae including full affiliation, contact details and date of birth;
- Letter describing motivation for attending;
- Physicians and nurses are furthermore asked to submit a letter of endorsement by the Institute/Department director or head nurse;
- The successful submission of an abstract (deadline 8 July) is not mandatory but it would be considered in the selection process.

Travel grant recipients will receive a set amount to contribute to their travel and accommodation expenses, whilst registration will be processed directly by ESO free of charge. The following amounts will be refunded by bank transfer after the conference:

- EUR 500 for participants coming from Europe, Middle-East and North-Africa;
- EUR 1,000 for participants coming from other regions and overseas.

The outcome of the application will be notified by 31 July.
Hotel accommodation

Deadline for booking: 31 October 2013

Book online at

or contact Helder Carvalho, Viagens Abreu SA, Linda-a-Velha, Portugal
hcarvalho.lisboa@abreu.pt - ph +351 21 415 6120 - fx +351 21 415 6383

Viagens Abreu has been designated as the official accommodation service for ABC2 and offers discounted rates at selected hotels.
In order to secure availability and the discounted rates, participants are kindly required to proceed with their bookings by 31 October 2013.

Rates are indicated in Euros and are meant per room, per night, including buffet breakfast. Payment of the stay is required to confirm the booking.

Optional tours

Viagens Abreu offers a selection of optional tours. Tours will be operated with a minimum of 20 participants. All tours will depart and return to the Lisboa Congress Centre in air conditioned buses with an official English speaking guide.

Book online at: https://pco.abreu.pt/CLIENTES/abreu/formularios/form_9638101886.php

Half-day tour to Lisbon

Wednesday, 6 November,
14:00-18:00 hours
Rate: EUR 39 per person

Visit this remarkable City, with its near 2,500 years of history, and its downtown and historical districts. Highlights of this tour include the 12th century fortress of St. George’s, located on top of one of Lisbon’s seven hills, and overlooking the whole downtown and river Tagus and the former Moorish quarter of Alfama, where still exist buildings that have survived the 1755 big earthquake.

Then, west of Lisbon, visit the historical Belém, home of the shipyards where in the 15th century were built the Portuguese Caravelas (sailing boats) and from where expeditions departed to find the maritime routes to Africa, Asia and Brazil, in glorious sea adventures that have compared the Portuguese navigators with the American first astronauts.

In Belém, will visit the Jerónimos Monastery, a master piece of the manueline style, and stop by the famous landmarks: Belém Tower and the Monument to the Discoveries.

Entrance fee at St. George’s Castle is included.
Sintra, located NW of Lisbon, is a delightful small town, full of historical sites whose roots go back to the Arab occupation in the 12th century.

Later on, Sintra was a summer retreat for the Portuguese Royal families and Nobels, and due to its romantic setting, it was immortalized by the British poet Lord Byron, as the «Little Eden».

Our tour will visit its historical centre and the National Palace, built over a former Moorish palace. From this area, one can admire the many manor houses and see the medieval castle built up on top of the mountain.

Then the tour will continue around this beautiful mountain, reaching a totally different environment – the wild and beautiful coast line of Guincho, with its superb beach areas, cliffs and where, close by, is located Cape Roca, the westernmost point of continental Europe.

The tour will return to Lisbon, via Cascais, a cosmopolitan former fishing village, and the Estoril coast line.

Entrance fee at the Sintra National Palace is included.
Half day tour to Óbidos and Fátima

Saturday, 9 November,
14:00-18:00 hours
Rate: EUR 53 per person

The first stop will be one of Portugal’s well kept secret – the Medieval walled town of Óbidos. Nestled inside a 12th century fortress, with its white washed well preserved houses, the town of Óbidos has kept its traditions, monuments and well kept cobbledstone streets, allowing visitors a enjoyable walk through, and exploring not just the town and its walled fortification, but also its small churches, small shops and original bars. The famous «Ginginha» served on a chocolate made cup is probably its best drink.

From Óbidos, we will proceed towards the famous Fátima pilgrimage site. Famous for its Roman Catholic Shrine and Basilica, Fátima is recognized by the Vatican as a site where the Virgin was seen by three shepherd children, on the 13th day of six consecutive months from May to October in 1917.
REGISTRATION FORM
ABC2 – 7-9 November 2013, Lisbon, Portugal

Please fill in this form in block capitals and send by the deadline to:
European School of Oncology, ESO Bellinzona Office, Attn. Laura Richetti
Ospedale Regionale – 6500 Bellinzona, Switzerland - Fax +41 91 811 8051 – lrichetti@eso.net
Online registration is available at www.abc-lisbon.org
