Europa Donna – The European Breast Cancer Coalition is an independent non-profit organisation whose members are affiliated groups from countries throughout Europe. The Coalition works to raise awareness of breast cancer and to mobilise the support of European women in pressing for improved breast cancer education, appropriate screening, optimal treatment and increased funding for research.

Europa Donna has national groups in 47 member countries.

Europa Donna

The European Breast Cancer Coalition

ADVOCATING to ensure that advocates are provided with up-to-date, accurate, evidence-based information and training through education and information programmes

- ▶ Forum networking and support

ADVOCATING for improved breast services because breast cancer claims the lives of more European women than any other cancer¹ and is the leading cause of cancer death in women worldwide, accounting for 1 in 6 cancer deaths.²

It is estimated that every year in Europe:

- ▶ 576,300 new breast cancer cases are diagnosed
- ▶ 157,100 deaths are due to breast cancer¹

ADVOCATING for European policies, legislation and guidelines to guarantee best practice in breast cancer services

- ▶ Europa Donna played a very important role in obtaining the **European Parliament Written Declarations** “On the Fight Against Breast Cancer in the EU” of 2015 and 2010 and the **European Parliament Resolutions** on Breast Cancer of 2006 and 2003

The European Commission Initiative on Breast Cancer (ECIBC)

Europa Donna is a stakeholder in this important EU initiative that has launched and implemented the following:

- ▶ European guidelines on breast cancer screening and diagnosis
- ▶ International guidelines on breast cancer care
- ▶ European quality assurance scheme for breast cancer services

Available at: <https://healthcare-quality.jrc.ec.europa.eu>

The Guidelines are regularly monitored and updated as new scientific evidence becomes available.

Europe’s Beating Cancer Plan (EBCP)

- ▶ This European Commission initiative tackles four key action areas: prevention, early detection, diagnosis and treatment, and quality of life. In advocating for EBCP implementation, Europa Donna works with EU bodies, in cooperation with Transforming Breast Cancer Together, the European Patients’ Forum and the European Cancer Organisation.

The Cancer Currency Metastatic Breast Cancer Awareness Campaign

- ▶ Europa Donna has launched a national and international MBC awareness campaign featuring the stories of five European women living with the disease
- ▶ The Coalition is calling on legislators and policymakers to address MBC as a health policy priority by implementing a series of changes
- ▶ Visit the campaign at: www.thecancercurrency.com

ADVOCATING for high level research to improve breast cancer treatment and outcomes for patients via numerous research collaborations:

- ▶ **BIG Scientific Meetings**
- ▶ **AURORA**
- ▶ **IBCSG**
- ▶ **MINDACT**
- ▶ **POSITIVE**
- ▶ **Horizon Europe and IMI Breast Cancer Research Projects**
- ▶ **OLYMPIA**
- ▶ **EBCTG**

Advocacy Priorities for the Future:

- Applying and contributing to the new **European Breast Guidelines and Quality Assurance Scheme** developed by the European Commission Initiative on Breast Cancer (**ECIBC**)
- Disseminating and implementing **Europe's Beating Cancer Plan**
- Establishing population-based **mammography screening programmes** in all countries
- Implementing **Breast Services** with **multidisciplinary teams** in all countries
- Improving services and access for women living with **metastatic breast cancer**
- Establishing national and international harmonised **breast cancer registries**
- Furthering breast cancer **research** and personalised **treatment**
- **Prevention:** Breast Health Day
- **Survivorship** and quality of life

10 Goals of Europa Donna

1. To promote the dissemination and exchange of factual, up-to-date information on breast cancer throughout Europe
2. To promote breast awareness and breast cancer prevention
3. To emphasise the need for appropriate screening, early detection and diagnosis
4. To campaign for the provision of, and access to, multidisciplinary and specialised treatment and care for all disease stages
5. To ensure provision of quality supportive care throughout and after treatment
6. To advocate appropriate training for health professionals
7. To acknowledge good practice and promote its development
8. To demand regular quality assessment of breast services
9. To ensure that all women understand fully any proposed treatment options, including entry into clinical trials and their right to a second opinion
10. To promote the advancement of breast cancer research
